THOUGHT FOR THE WEEK

Even after Israel experienced the vagaries of kings, the people still longed for a true king to set things right. In Daniel's vision, he would have the king's title of Anointed One (Messiah), would be given dominion, and would be the "one like a human being" (Son of Man).. Jesus is given these titles, even though He was nothing like an earthly king. His authority comes from the truth, to which he bears witness; and those who recognize the truth voluntarily listen to Him. We look forward to the day He is given dominion, knowing His victory will be one of love. All will be set right!
